ADMIN Partners (“Plan Coordinator”) is responsible for coordinating the information under the 403(b) plan sponsored by your employer (the “Plan”) and performing non-discretionary recordkeeping, compliance and other ministerial retirement plan services. Distributions from the Plan are based on the terms of the Plan and provisions of the annuity contracts or custodial accounts (“Individual Agreements”) in which you have invested your contributions. Since final approval resides with your product provider/vendor, they may also require that you provide additional information. Please be aware that vendors may impose additional approval and processing restrictions of requirements in order to receive a hardship withdrawal from a particular account. Therefore, completion of this request does not ensure approval of the hardship withdrawal.

Upon receipt, ADMIN will verify the facts necessary to satisfy the hardship requirements and any conditions that may apply under the Plan. Once the information is collected, we will review it for conformity with the requirements of the Plan and forward your request with the supporting information to the Vendor that you identify so that your request can be processed based on the vendor’s requirements. ADMIN Partners’ signature on this form provides verification of the facts only and is not an exercise of discretion over Plan assets or activities.
