

ADMIN PARTNERS

THE ALL-IN SOLUTION

ADMIN Partners, an "independent" full-service Third Party Administrator, covers all of your recordkeeping and compliance needs. Our goal is to design a retirement plan that maximizes benefits for your employees. Engaging a TPA can eliminate the daily burdens that retirement plan administration can bring to the Plan Sponsor.

Here's our solution:

NON-PRODUCING TPA

We do not sell investment products or offer investment advice so our attention is devoted to your plan administration.

VENDOR NEUTRAL

We have relationships with over 60 investment firms so you can choose the product that works for you with no limitations.

COMPLEX PLAN DESIGN

Our specialty is working with plans of all sizes and plans that have a complex level of design.

FULL RANGE OF SERVICES

We do it all including: Plan Document & Design, Common Remittance, Compliance, Plan Record keeping & Data Aggregation.

LONG LASTING RELATIONSHIPS

Our business model is built on creating long lasting relationships with our clients. We pride ourselves on maintaining constant communication and being available for all of your compliance needs.

MULTIPLE PLAN TYPES

ADMIN's service extends to a multitude of plan types including 403(b), 457(b), 457 Top Hat, 401(a) and even 401(k) Plans for Non-profit organizations.
